June 16, 2020

Regarding: **3 Month Moratorium ending June 30, 2020**

Dear Participants:

As you will recall, The AMIHA Board of Commissioners enacted a three month housing payment moratorium on April 1, 2020 to financially assist participants during the public health emergency.

This letter is a reminder that regular monthly house payments will resume **July 1, 2020**.

To ensure we have all updated and current income, please complete an *Application for Continued Occupancy*. AMIHA monthly payments are income based and we want to make sure you are charged the correct amount based on current wages or income.

If you have not submitted an *Application for Occupancy* you will be charged your normal payment amount.

For further questions please contact me at 951-760-7390.

Sincerely,

Abriana Soto

Housing Administrator
